

IGNACIO JAKIN

CRYPTO ENTHUSIAST

WHY SHOULD YOU CONSIDER ME...?

Because I am a fast learning and goal focused individual. Since I started researching cryptocurrencies it changed my life and I decided that I want to be part of this future. I know I may not have the most relevant experience, but I guarantee that I will not stop learning and improving every day because it is my way of seeing life. Constant growth and teamwork are at the foundation of my mindset.

PROFILE SUMMARY

I'm an electromechanical technician (engineering drop-out) currently studying CS, searching for an opportunity to change the world by helping mainstream the crypto revolution.

I'm not afraid to start from scratch in order to make things right.
